

Established in 2000, E Quality Corporation is a privately held company headquartered in Dallas, Texas with regional offices in Springfield, Virginia. With over 10 years of exceptional past performance, E Quality Corporation offers a wide range of Information Technology Professional Services and Management Solutions.

E Quality's strong executive management team and exceptional technical expertise enables our clients to receive well established and demonstrated experience in successfully delivering superior and cost effective information technology solutions. E Quality is dedicated to providing the highest quality information technology services to our clients in support of the Federal Aviation Administration (FAA), Department of Defense (DOD), Department of Veterans Administration (VA), Civilian federal government agencies, large government prime contractors and fortune 500 companies.

eFAST (Electronic FAA Accelerated and Simplified Tasks)

eFast is an agency-wide acquisition vehicle. This Master Order Agreement (MOA) can be used by all FAA organizations and other federal agencies when in the best interest of the government.

The MOA, which will function as a Blanket Purchase Agreement (BPA), provides for professional as well as support services (as denoted by Functional Areas).

The performance scope for this MOA includes the 50 states of the United States of America, the District of Columbia and all U.S. Territories either at Contractor's facilities (offsite) or at Government facilities (onsite).

eFast Contract Number: DTFAWA11A-00141
