

8(a) STARS

Established in 2000, **E Quality Corporation** is a privately held company headquartered in Dallas, Texas with regional offices in Springfield, Virginia.

With over 10 years of exceptional past performance, E Quality Corporation offers a wide range of Information Technology Professional Services and Management Solutions.

E Quality's strong executive management team and exceptional technical expertise enables our clients to receive well established and demonstrated experience in successfully delivering superior and cost effective information technology solutions.

E Quality is dedicated to providing the highest quality information technology services to our clients in support of the Federal Aviation Administration (FAA), Department of Defense (DOD), Department of Veterans Administration (VA), Civilian federal government agencies, large government prime contractors and fortune 500 companies.

8(a) STARS II Government wide Acquisition Contract (GWAC)

The 8(a) STARS II GWAC is designed to promote small business utilization when purchasing information technology (IT) services or IT services-based solutions for the federal government. The 8(a) STARS II program is reserved exclusively for qualifying certified 8(a) small business concerns as the prime contractors per Federal Acquisition Regulation (FAR) 19.8. Task Orders can be awarded with no protests on orders under \$10M, except on the grounds that the order increases the scope, period, or maximum value of the GWAC. Geographic coverage of the continental United States and in some cases, worldwide
